Dear Mr. Rajkumar,

... In pursuance of my letter dated 16 June 1987 I am sending to you under this cover the list of outstanding cases of disappearances in respect of the Republic of Indonesia which have been reported to the Working Group on Enforced or Involuntary Disappearances by your organization.

The Working Group would appreciate it if you could contact the respective families to ascertain whether they have received any new information on the fate or whereabouts of their missing relatives. The Group would also be interested to know of any replies Government authorities may have given to the relatives regarding the progress or results of national legal procedures to which they may have made recourse.

Although it fully appreciates the considerable time and effort involved in such an exercise, the Working Group hopes you will be in a position to respond to its request at an early date. Let me reiterate in this connection the importance the Group attaches to organizations maintaining contact, directly or indirectly, with the families on whose behalf they have reported cases of disappearances.

Yours sincerely,

Georg Mautner-Markhof
Secretary
Working Group on Enforced
or Involuntary Disappearances
